Gift Aid is a UK Government scheme which enables charities to claim back from HMRC the tax donors have paid on their donations.	
Benefits to Life Radio UK	Benefits for you
We can receive an extra 25p for every £1 you donate, and it doesn't cost us anything. We can use this extra money to make your support worth more to everyone who benefits from our services.	You just need to make a declaration once, and we will be able to claim on all your donations.
If you have donated in the past four years, or will in the future, we can claim back the tax on that too.	You know that we can do more with your gift at no extra cost to you.
<input type="checkbox"/> Yes, I would like Life Radio UK to treat all donations I have made for this tax year, and all future donations I make until I notify you otherwise, as Gift Aid donations. I am a UK taxpayer and I understand that if I pay less Income and/or Capital Gains than the amount of Gift Aid claimed on all my donations in the relevant tax year, it is my responsibility to pay any difference.
